

# ACTIVITY 9A - Living On The Moon?

Text message from an astronaut:

We're arguing about what we will  
be able to do when we land on Moon  
Can't agree! Please talk about this  
back at base.  
Let us know what's possible soon!

What do you think?

Help the astronauts to decide what they will be able to do when they land on the Moon.  
Use the table to help you sort out your ideas.

On the Earth	What you can do	On the Moon
	Can you breathe?	
	Can you walk?	
	Can you jump a very long way?	
	Can you swim?	
	Can you pick up heavy objects?	
	Can you make a paper aeroplane glide a long way?	

There are extra rows for you to add your own ideas.

Time to find out more! Use the information cards, books and the internet to check your ideas.  
Share your ideas. Do you all agree?
